Organizational Return-on-
Investment (ROI) with InLoox

Author

InLoox GmbH

Date

09/09/2024

What is InLoox?

In one sentence

InLoox is a next-gen **project management platform** that helps teams and organizations plan, manage, and execute their projects with greater efficiency.

Who uses InLoox?

InLoox serves over **6,000 customers** across various industries in more than **60 countries**, with a proven track record of **20+ years** of success.

Benefits of InLoox

Shorter innovation cycles, faster delivery times, reduced coordination effort, and optimal resource utilization through highly efficient work.

The Impact of InLoox on Productivity

We regularly engage in customer research to gather insights on how InLoox enhances their productivity. In this overview, we highlight key findings related to routine tasks such as:

- **composing emails**
- **attending meetings,**
- **gathering feedback and reporting**

In our regular team meetings, we reduce the time by about half compared to the past.

Elvis Icic, Vehicle and Systems Engineering, SBB AG Passenger Traffic Maintenance

Thanks to InLoox, I now spend only 1-2 hours per week on project management and can focus on my primary task: developing and bringing new products to market.

Michael Stein, Head of Portfolio Management, Dr. Loges + Co. GmbH

-30% spent on writing emails

By allowing users to quickly share project updates, assign tasks, and collaborate without switching between email and other tools, InLoox reduces email exchanges, resulting in a 30% decrease in the time spent composing emails.

-50% spent on meetings

By providing everyone with real-time access to project information, InLoox not only improves the quality of meetings but also cuts their duration in half.

-50% creating reports

Using InLoox, users have reported a 50% reduction in the time spent creating reports, significantly streamlining their workflow.

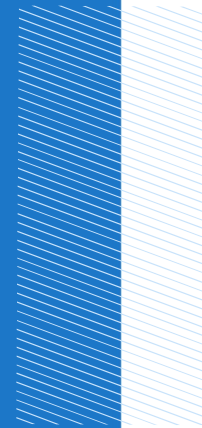

-70% waiting on feedback

InLoox cuts down waiting times for feedback by providing real-time access to project information and streamlining communication by 70%.

We feel a 40 percent productivity uplift compared to Excel.

Thomas Hilberer, Project Manager, Ebnat AG

The coordination effort has also decreased. Internal emails within the company have been significantly reduced due to InLoox.

Elmar Plüntsche, Managing Director,
Rügenwalder Spezialitäten

Thanks to InLoox, approximately 70 percent of tasks are carried out without the need for consultation.

Zoran Raic, Head of Development and Design,
Mayer & Cie. GmbH & Co. KG

The time required for project time tracking has been reduced from 4-5 hours to approximately 20 minutes.

Lars Reifegerste, Senior SAM Consultant,
Bechtle-Comsoft GmbH

Thanks to InLoox, I personally notice a time savings of about two hours per week that I would otherwise spend solely on gathering information.

Arthur Zerr, Head of Development,
Christ Electronic Systems GmbH

Without InLoox, we would need 10 additional employees to handle the same project volume.

Laurent Brückner, Managing Director,
Brückner Architekten
